TO WHOM IT MAY CONCERN

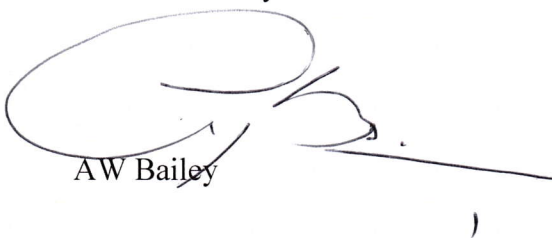

We have been dealing with Maxiflex Door Systems SA (Pty) Ltd and have the highest regard for their staff and the dock levellers we have purchased from the company.

Our initial purchase was for the supply and installation of 13 dock levellers. The goods were supplied and installed timeously according to our purchase agreement. The after sales service has been efficient and all teething problems (which were minimal) were dealt with speedily. The equipment has proved to be of the highest quality.

One of our customers are one of the largest supermarkets in the country, and they too, are happy with the product.

Consequently, we have recently placed an order for and additional twenty dock levellers with Maxiflex.

Yours faithfully

AW Bailey
